WELCOME TO THE NWMDBC

The North-West Magic District Basketball Club was established in 2005 by a group of like-minded individuals who recognised the importance of having a club that was dedicated to developing players in a fun and family-friendly environment.

Supporting the North-West Magic District Basketball Club is a great way to build strong relationships with our extensive network of players, families, and volunteers. This places your organisation at the forefront of these groups and provides an opportunity for your brand to become a household name. Additionally, being involved in grassroots sports enables you to demonstrate a sense of social responsibility and provide life-changing opportunities for those who participate.

Mission

Our mission is to provide opportunities to play basketball at an elite level while representing our community with integrity, sportsmanship, and a commitment to excellence.

Our Vision

Our vision is to be more than just a basketball club, we strive to be a beacon of change in our community, harnessing our influence and resources to drive local initiatives forward while excelling at the highest level of competition. All the while being a Club of Choice by providing a diverse and inclusive community.
